

Our vacation apartments

Our newly built vacation apartments have an absolutely quiet location, 5 minutes on foot from the center of Partenkirchen.

Each apartment has a separate entrance, a garage in the basement, a Sat-TV and a DVD/CD HiFi system. The floor heating creates a nice atmosphere. There is an elevator, which makes the apartments be wheelchair accessible.

Each apartment has 2 big bedrooms, with luxurious, stylish country house ambient. There is a washing, drying and ironing room in the house, as well as a storage room for bikes and skiers in the basement.
